IMPORTANT POINTS FROM BY-LAWS

PLEASE READ BY-LAWS CAREFULLY

WASHOUTS: If a washout is decided without attending the courts, It is the responsibility of the HOME TEAM in such cases to notify the Landlord Club Representative and to ensure that the washout result is entered into TROLS prior to the published **“Entry Deadline”** (refer By- law 8C). Breach of the washout rule shall render the loss of four (4) points from the offending team’s progressive score. NOTE: Washouts cannot be called before 6.30pm.

FORFEITS: If your team forfeits a match, a fine of \$40.00 must be paid to the appropriate Record Secretary within 7 days of the forfeit. In the event of forfeit fees not being paid, the team will be ineligible to participate further in the competition. Teams wishing to pull out of the competition after the draw has been completed will be required to pay forfeit fees for all remaining weeks of the competition. No player in that team will be eligible to play in future seasons unless these forfeit fees have been paid.

In the event of a forfeit, the team receiving the forfeit is responsible for entering the forfeit into TROLS prior to the **“Entry Deadline”**. (refer By-law 8C). Breach of the forfeit rule shall render the loss of four (4) points from the offending team’s progressive score.

PENALTIES: Teams penalised for late or no cards etc. will have their points lost detailed on the on-line ladders published after that week’s matches. This will be the only notification. Team captains will be notified by email regarding unregistered players.

MATCH RESULTS: The winning team is responsible for ensuring that match results are entered on-line into TROLS no later than **7.00pm** the day following the match. Penalty -4 points.

The winning team is also responsible for ensuring that the completed Semi-Final and Grand Final results are entered into TROLS as per a normal playing night.

EMERGENCIES: Emergencies can be registered by writing the name/s on the result sheet and by **providing full details** of that player’s standard when entering the match results into TROLS. **Remember that an emergency must not strengthen the team!**

FINALS ELIGIBILITY: To play in a final, a player must have played in three (3) matches in that team. Permission must be obtained from the Record Secretary to play a player not fulfilling these requirements.

ABANDONED OR UNFINISHED MATCHES: (NEW BY-LAW 9C) In the event of a draw situation as described in By-law 9B, the **home team** is responsible for ensuring the result is entered into TROLS by the specified deadline. Penalty is -4 points.

SPECIAL NOTES

Players should note that it is not an Association requirement to be a financial member of a tennis club in order to play in the L&DNTA night competition. Players not wishing to become club members or pay additional levies can submit their entries direct to the Association and pay only the standard \$30 entry fee. The Association will allocate the team a home court at a venue where no levies apply.

NOTICE RE LIQUOR LICENSING LAWS

Please note that Association member clubs North Ringwood & Warrandyte are licensed to sell alcohol on their premises and therefore do not permit night players to bring their own alcohol to the courts as this is in breach of their licence conditions. Accordingly, the Association, requests that night players refrain from bringing alcohol to those playing venues that have signage clearly prohibiting BYO alcohol.
